**Tuesday September 5, 2017** - At approximately 8:54 p.m., Citrus Heights Police officers responded to an apartment complex in the 6300 block of Mariposa Avenue regarding a male subject who had been shot. Officers arrived and located the male victim in his mid-20's suffering from a single gunshot wound to his upper torso area. Officers immediately began rendering first aid to the victim, who was subsequently transported to a local hospital by medics. He is expected to survive.

Police are investigating several possible motives and suspects but specific details about either are not being released at this time. Although the investigation is still ongoing, there is no specific risk to the members of the community and it is believed that this was not a random act of violence.
