

CHANT March Meeting

The monthly meeting of the Citrus Heights Area Number Three (CHANT) will be on March 14th at the City Hall Community Room. Meeting starts at 6:30

We have scheduled Mr. Andrew Van Duker to explain what the Planning commission does and how you can be considered for one of the 7 positions on that commission.

Also in attendance will be Megan Huber and Courtney Riddle from the City's Economic Development and Community Engagement Department.

Officers from CHPD IMPACT team try to attend to bring us up to date on actives in our neighborhood.

And I have received a request from SMUD that Patrick Guild, Community Engagement Representative would like to share some brief remarks with us.

So it looks like a full meeting
