## COMMITTEE AND PROJECT REPORTS

1. *PLANNING & DEVELOPMENT* Dave  
There are no changes in the projects.
2. *FAMILY CHRISTMAS PROJECT* Bill  
The Christmas Project was a huge success; we played Santa for 6 families. Woodside School and HART were astonished with the generosity of the gifts. Bill did an excellent job planning and directing the project. We plan to help even more families next year.
3. *CONNECT* is busy planning and organizing for this year. Glenn  
See citrusheights.org for calendar and information.
4. The benches have been shipped (again) for the Old Auburn walking trail.

## PROGRAM/PRESENTATION – MARIJANE LOPEZ-TAFT, CITY COUNCIL REPRESENTATIVE DISTRICT 2

Three major goals for Citrus Heights:

1. Supporting Business and Economic Growth
2. Safety and Beautification
3. Strengthening Ties with the San Juan Unified School District

Ms. Lopez-Taft explained each of her goals and how she will promote them. In addition, she asked for the support of the people in the district by communicating with her with your opinions, observations, and concerns. She expressed her concern for school safety and road repairs. However, any allocations of money for projects need to “make sense”; be properly planned, worthwhile, and have no needless taxes. She has suggested that the City Council hold town meetings to discuss single issues. We asked that she communicate with us monthly to keep us up to date.
