    a. City Manager, Ash Feeney & Chief Turcott:

            1. Traffic Unit was classified as an enhanced service and is being dissolved at this time; all sworn officers are being redeployed into patrol as a core service. This move has allowed for patrol to remain whole.
            2. Prior motor staff skill set will still be useful within the patrol unit
            3. Managing fiscal integrity of the city while remaining competitive in the marketplace for retention within CHPD
            4. In total there are 9 full time positions being eliminated
                a. Elimination is from a mix of attrition and the 3 layoffs that occurred (unsworn CHPD manager/supervisor roles).
                b. Of the attrition plan, 1 sgt and 1 lieutenant will not be replaced when vacated.
            5. Pop and Impact teams remain intact.
