

Dear Valued Customer,

Starting January 1, 2020, the rates for collection and disposal of garbage, recycling, and green waste will increase by 3.5%. This is the first rate increase for our services since 2017. Republic Services looks forward to continuing our high level of services for Citrus Heights residents.

The specific increase for each residential account is determined by the size of the garbage container. The table below shows the new rates for 2020 and the previous rates from 2017, 2018, and 2019.

Service Year	32-Gallon Cart	64-Gallon Cart	96-Gallon Cart
2020	\$19.95	\$22.15	\$27.55
2017, 2018, 2019	\$19.28	\$21.40	\$26.63

#### What does the garbage rate pay for?

- Weekly pickup of household waste
- Bi-weekly pickup of recycling
- Bi-weekly pickup of green waste
- **FREE** access to the North Area Recovery Station (NARS) for Household Hazardous Waste disposal: 8840 Roseville Rd, North Highlands, CA
- **FREE** appointment-based pickup of home generated sharps
- Curbside collection of **used motor oil, oil filters, and batteries** on recycle day
- **FREE** neighborhood clean-ups: **three per year**
- Extra leaf pickup: **November - January**, up to 6 bags on **green waste day**
- Holiday tree pickup for **3 weeks following Christmas** on garbage collection day

**Remember!** Customers may also have one extra mixed recycle or green waste container at no extra cost. By committing to recycling more and disposing less, residents may reduce their waste container size and lower their monthly rate.

There are tools to help you sort! Please check out [RecyclingSimplified.com](https://www.RecyclingSimplified.com) for information on recycling. Also try out the new Citrus Heights Waste Wizard at: [citrusheights.net/977](https://citrusheights.net/977)

For questions or concerns, call Republic Services at 916.638.9000 or 916.725.9060.

We'll handle it from here.®
