Fatal Vehicle Collision

On August 24, 2025, at approximately 8:17 PM, the Citrus Heights Police Department received multiple 911 calls regarding a collision between two vehicles in the 7200 block of Madison Avenue. When officers arrived on scene, they located one of the involved drivers who was unresponsive. Officers attempted to provide lifesaving efforts; however, the driver was pronounced as deceased at the scene.

Traffic Investigators with the Citrus Heights Police Department's Traffic Unit are actively investigating the collision, with preliminary findings indicating that alcohol appears to be a factor. Westbound lanes of Madison Avenue between San Juan Avenue and Fleetwood Drive are closed during the investigation. Although the preliminary investigation indicates alcohol to be a factor in the collision, the investigation is ongoing, and no arrests have been made at this time. The identity of the deceased driver is being withheld until the Sacramento County Coroner's Office notifies the next of kin.

Witnesses to the collision are urged to contact the Citrus Heights Police Department at (916) 727-5500. The Citrus Heights Police Department reminds all drivers to stay attentive to the roadway and other motorists and to use alternative transportation methods if they have been consuming alcohol.
