NOTICE OF AVAILABILITY/NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

NOTICE is hereby given that the City of Citrus Heights, intends to adopt a Mitigated Negative Declaration for the project described below under the California Environmental Quality Act (CEQA).

PROJECT: Arcade-Cripple Creek Trail (Sylvan Road to Stock Ranch) Extension Project

The City of Citrus Heights, Planning Division, has completed preparation of a Draft Initial Study with Proposed Mitigated Negative Declaration (IS/MND) for the Arcade-Cripple Creek Trail (Sylvan Road to Stock Ranch) Extension Project (Project). The City proposes to construct a 0.5-mile addition to the planned 16-mile Creek Corridor Trail in Citrus Heights. The Project will extend east from the existing Stock Ranch Trail behind the Stock Ranch Commercial Center through Stock Ranch Natural Area connecting to Sylvan Road.

The purpose of this Project is to construct one of the several planned segments by replacing dirt and narrow concrete paths with an Americans with Disabilities Act-compliant Class I multi-use trail. This trail extension is needed to enhance pedestrian and bicycle connectivity, provide a safe recreational facility, and improve access through the Arcade Creek greenbelt. Proposed facilities include a paved trail, a new prefabricated bridge across the unnamed creek tributary, solar lighting, bank protection along a segment of Arcade Creek, and an at-grade signalized pedestrian crossing at Sylvan Road.

The Draft IS/MND is available for a 30-day public review and comment period from May 15, 2026 to June 15, 2026. You may obtain a copy of the Draft IS/MND at 6360 Fountain Square Drive, Citrus Heights, CA, 95621 between 8:00 AM and 5:00 PM (except holidays). The Draft IS/MND may also be reviewed at:
